## Director's Corner

We've been so busy looking forward to design grants, competitive

robotics, and new lecture and film series that I feel 2018 is being left behind! As I shared with the Board at last night's meeting, we ended 2018 with a 20% increase in program attendance, a 1% increase in circulation, and over 2,200 volunteer hours compared to 1,900 last year. Yep, I celebrate a 1% increase in circulation as many libraries are seeing steep declines. Use of movies has really diminished and I blame smart TVs! I just learned how to connect to my Amazon Prime account at home and can now stream even more content. The times change and the Library learns to adapt.

For folks who want a **FREE** option for streaming movies from the Library, I recommend [hoopla](#). We recently increased the check-out limit from 2 to 3 items per month. Hoopla carries movies, tv shows, graphic novels, and audiobooks. [Learn more and start downloading today!](#)
