Director's Corner

Back in July, I celebrated the five year mark as your Library Director. (A personal milestone - this is my longest library gig to date!) Back in 2012, the Board challenged us to become the hub of the community and to give our visitors a first-class library and customer service experience. I hope it's not delusional to say we've accomplished our goals and have finally reached a stable period.

Our monthly statistics say we've plateaued; compared to last year, we welcomed about the same number of visitors, loaned the same number of books, and have seen the same smiling faces at our programs.

Now the challenge is to keep doing what we are doing, only better and to meet the future needs of our unique community. No small task! So, I want to say 'Thank You!' for supporting us through these last five years. I invite you to join me on [August 19 at the Naked Brewing Co.](#) to celebrate. I already

nave my ticket!

- Sharon
