

Huntingdon Valley Library

2019 Annual Report

Design Dreams

Through a core grant from the Community Design Collaborative, we worked with an amazing team of design professional volunteers to develop a preliminary design for a library renovation. According to the Collaborative, “Preliminary design establishes a shared project vision; it promotes collaboration, critical thinking, and decision making.” The value of these design services was \$58,136. The process included input from Community Task Force meetings and many fun conversations with patrons, staff, Friends, and neighbors. A public presentation of the preliminary design by the Collaborative volunteer designers is scheduled for early 2020.

Friends of Huntingdon Valley Library

In 2019, 58% of our books, movies, databases, and other materials were paid for by the Friends. The Friends underwrote 100% of the Summer Reading Program for children, teens, and adults. The Friends also gave the Library \$10,000 above and beyond the Wish List to buy new furniture for the children and teen areas.
