Director's Corner

Because of the outstanding programs brought to the Library by Vanessa, Beth, Jane, and Pam and through Pam's tenacity and time spent submitting/uploading/rebranding...we earned our [Bronze Star in the PA Forward Star Library Program](#). This is part of the Pennsylvania Library Association's 21st Century Literacies Initiative, **PA Forward**, a statewide initiative that spotlights the important role of libraries in YOUR lives.

We are raising awareness of our programs and offerings that help

We are raising awareness of our programs and ensuring that help Pennsylvania citizens improve their command of **five types of literacy** – **basic, information, civic and social, health, and financial**. These literacies are essential to greater success in all vital roles of life: as students, as parents, as employees, as consumers, as citizens.

As part of the program, logos on the libraries' event flyers and marketing materials identify which specific literacies the events support. **Yoga** supports your health literacy. The **Socrates Cafe** supports your Civic and Social literacy. **Storytime** supports Basic literacy.

"Huntingdon Valley Library is very excited to take part in PA Forward," said Sharon Moreland-Sender, Library Director. "We highlight each of the five literacies by developing innovative programs and inviting interesting speakers that help strengthen our community."

Visit us to take advantage of our exciting programs and events and become part of moving PA Forward!
