Director's Corner

Employment Opportunity: We are looking for a temporary part-time Library Assistant to help us out this fall. Interested in joining our merry band of misfits? Check out the [Job Description and application procedures](#) today!

The Board and I would like to thank **Dr. Davidheiser**, LMTSD Superintendent, for attending our October Board meeting. We have many of the same issues and concerns and I look forward to continue our work with the District to support students and build stronger ties between us.

PaLA Conference and Expo in Harrisburg! Pam and I will be off to the capital on Sunday to spend a few days learning, networking, and sharing ideas with our colleagues from across the state. I'm looking forward to attending:

- "Know Your Community: Doing a Needs Assessment with Limited time and Resources" so we have a better idea of how to

improve services and plan renovations that make the most sense for Lower Moreland.

- "Compassionate Library Leadership" because leading is hard!
- "Digital Analysis of Your Physical Materials for Collection Development," "Communicating Trust: a Strategic Approach to Reputation Management" and "Is the Patron Always Right? Librarian Values on the Front Line" to make sure we're doing all we can to grow and maintain our value to the Community through our collection, services, and customer service.

I'm also going as MCLINC President to help represent the consortium. We are still looking for a new Executive Director if you know anyone who is an expert in Polaris and has a strong vision for the future of library service in Montgomery County!

Be kind to the staff in our absence and give Tetjana treats for taking on the Supervisor role while we're gone.

-Sharon
