Director's Corner

We had a great **Staff Day** on Feb. 17 with Earl and left with our CPR and AED certification. Our new AED machine is located behind the circulation desk - instead of in the staff work room. Hopefully we will NEVER need to use it, but it's good to have.

I sent you a special invitation email to join us on **March 9** at 7 pm to hear about the library's renovation dreams. You can see the preliminary, conceptual design and hear from the amazing team of volunteer professionals from Lenhardt Rodgers and the Community Design Collaborative.
