Included in your tour:

- Admission & Guided Tour of Winterthur, DE
- Almost 40 years ago, collector and horticulturist Henry Francis du Pont (1860-1969) opened his childhood home, Winterthur, to the public. Today, Winterthur graces us with the greatest museum of American decorative arts, with an unparalleled collection of nearly 40,000 objects made or used in America between about 1760 and 1960. The collection is displayed in the magnificent 175-room house, much as it was when the du Pont family lived here, as well as in permanent and changing exhibition galleries.
- Winterthur is set amidst a 1,000-acre preserve of rolling meadows and woodlands. Designed by du Pont, its 10-acre naturalistic garden is among America's best, with magnificent specimen plantings and massed displays of color.
- Enjoy the Garden Tram where you can sit back & let the tram guide you throughout the garden.
- **View Special Exhibit: Costuming the Crown**
- From the dazzling gown of Queen Elizabeth's coronation robe to the simple sophistication of Princess Margaret's wedding dress. From the majesty of royal crowns and tiaras to the comfort of clothes worn in private family moments, **COSTUMING THE CROWN** will feature 40 iconic costumes from the beloved Emmy award-winning Netflix series, a dramatized history of the reign of Queen Elizabeth II. This engaging exhibition provides a behind-the-scenes look at how costume design is used to create riveting drama and to re-create history. Explore the elegance and style of a bygone era by examining the extraordinary contributions of Emmy- and BAFTA-winning designer Michele Clapton and Jane Harris to Seasons 1 and 2 of the Crown.
