- Admission & Guided Tour of Winterthur, DE
Almost 40 years ago, collector and horticulturalist Henry Francis du Pont (1802-1899) opened his childhood home, Winterthur, to the public. Today, Winterthur (pronounced "win-ter-our") is the premier museum of American decorative arts, with an unparalleled collection of nearly 60,000 objects made or used in America between about 1640 and 1860. The collection is displayed in the magnificent 17-room house, much as it was when the du Pont family lived here, as well as in permanent and changing exhibition galleries. Winterthur is set amidst a 1,200-acre preserve of rolling meadows and woodlands. Designed by du Pont, its 60-acre naturalistic garden is among America's best, with magnificent specimen plantings and massed displays of color.
- Enjoy the Garden Tram where you can sit back & let the tram guide you throughout the garden.
- View Special Exhibit: Costuming the Crown
From the dazzling gold of Queen Elizabeth's coronation robe to the simple repatriation of Princess Margaret's wedding dress: from the majesty of royal crowns and tiaras to the comfort of clothes worn in private family moments, Costuming THE CROWN will feature 40 iconic costumes from the beloved Emmy award-winning Netflix series, in dramatic history of the reign of Queen Elizabeth II. This intriguing exhibition provides a behind-the-scenes look at how costume design is used to create riveting drama and to re-create history. Explore the designer and style of a bygone era by examining the extraordinary contributions of Emmy- and BAFTA-winning designers Michele Clapton and Jane Pettit to Seasons 1 and 2 of the Crown. Discover how costumes play a major role in controlling and character development in this fictional portrayal of the British royal family that is sweeping the globe!
