What is truth? What is justice? What is moderation?

Wednesday, September 20, October 18,
November 15 and December 13: 10:30 am
to 12:00 pm
Friends Learning Lab

This session will be led by Robert Rubin, an experienced moderator with discussion groups.

According to philosopher.org, "Socrates Cafe are gatherings around the world where people from different backgrounds get together and exchange thoughtful ideas and experiences while embracing the central theme of Socratizing; the idea that we learn more when we question and question with others."
