Hi Everyone!

We've been saying this every week, but it's true...we miss you! Working in Youth Services, the best part of our jobs is interacting with children and teens.

Our focus over the past month has been on how to create a sense of connection, while still remaining physically apart. We're excited to take on this new challenge, use our imaginations, and create fun, meaningful programming in a completely new way.

We are currently reimagining our Summer Learning Program. New software has been purchased to use for events and reading logs. We have great ideas for virtual programs and look forward to sharing them with you.

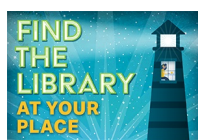

Please don't hesitate to contact us for readers' advisory, questions about apps, if you want to suggest ebook purchases, or just to say hello. We love hearing from you!

Sincerely,

Vanessa (hvlys@mclinc.org) & Beth (hvlisa@mclinc.org)
Your Youth Services Team
