[Fill Out Your 2020 Census](#)

Please take a moment to fill out your 2020 Census. Federal funding for our state, including funding for education, roads, local business, congress representation, and of course, libraries, depends on the census numbers. Click [here](#) for more information on why taking the Census matters, and [here](#) to fill it out online. Thank you for your help!

IRS Warning

The Internal Revenue Service today urged taxpayers to be on the lookout for a surge of calls and email phishing attempts about the Coronavirus, or COVID-19. These contacts can lead to tax-related fraud and identity theft. Read more [here](#).

Director's Corner

We are busy creating digital content and linking you to digital eBooks, audiobooks and magazines, but it's not the same as personally sharing information and book recommendations. We miss you.

We are all in this together, and we hope you are all well. If you need to reach us, please email hvl.circ@gmail.com or **you can leave a message at 215-947-5138 and someone will get back to you.**

Please hold on to your library items. No one is in the building at this time to accept returns. We will not be charging overdue fees during this crisis.

Thank you for your support and cooperation. Hope to be able to see you at the library...someday soon.

Wishing you all well,
Pam
