**Youth Services Corner June 12, 2020**

Dear Huntingdon Valley Library Patrons,

Summer Learning begins Monday, June 22 and we are excited! We spent the past couple months reimagining the program to fit this crazy year. We can't wait for you to join us!

We are thrilled to introduce new digital software called Beanstack for all of this year's reading challenges. You will be able to register, log reading time, submit learning activities, write reviews, earn/enter raffle tickets for prizes, all in one app!

We also have a great list of virtual events planned, including some fun collaborative projects (like the "Imagine Your Story Read by Your Librarians" podcast and Teen Quaranzine), and live virtual author visits for both children and teens. As a whole community, we will work on completing the [Million Minute Challenge](#) and answer the question of which team—children, teens, or adults—reads the most.

Visit these links for more information on [Summer Learning](#), [Children's/Family events](#), and [Teen events](#). We are eager to begin this new chapter of Summer Learning with you, as we Imagine Our (Virtual) Story together!

Sincerely,  
Vanessa & Beth  
Your Youth Services Team
