Staff Picks - Kathy

It's been a long time since I found a book I could not put down, and hated to see it end. *'Long Bright River'* was the book. Liz Moore captured Philadelphia

neighborhoods dealing with the opioid crisis, and how it affects families for generations. Great Storyline. Looking forward to reading more books from Ms Moore. - Kathy

Planning for the phased reopening of the library is underway. The Library Board and I hold the safety of our staff and community as our most important duty. All State Health Department and CDC regulations will be followed. For now, we must remain patient and wait for the Governor to move our County from Red to Yellow status. Until then, I wish you good health and good reading.

With fondness,
Pam
