Director's Corner May 29, 2020

Dear Neighbors,

I know that you are anxious for the library to reopen; we are too! Right now, we are in the process of preparing to offer curbside services when permitted by the Governor. It may take us a few weeks to get ready for that, so we ask for your patience. With the regulations we need to follow in both the Yellow and Green phases, we have to make changes to the building and our service models in order to ensure the health and safety of you and our staff.

Please know that while the building itself will not be open to the public for some time, we will be doing our best to bring more services and online events your way. Thank you for your continued support and patience.

With hope,
Pam
