Dear Neighbors,

As our local and global communities face times of uncertainty, we are proud to stand with you in unity. During the COVID-19 shutdown, we focused our efforts on virtually connecting community members to existing resources and on providing educational and recreational materials. The only thing missing was seeing you, our community members, in the building.

COVID-19 has affected us all in some way. As a result of the shutdown, the library lost income due to our inability to hold scheduled fundraisers and programs. We also had the added expense of maintaining our building and of preparing to safely reopen following CDC and State guidelines.

Through all of this, our staff has continued to serve the community virtually and developed a fantastic, fun, full Summer Learning Program. We reopened the library in June providing Contactless Pickup and, in August, we added Grab and Go hours. Please see our website, hvlibrary.org, for details.
