## Director's Corner

November 13, 2020

Dear Neighbors,

Out of an abundance of caution, we are temporarily modifying our services to 100% Contactless Pickup. This change will be effective Monday, November 16.

We are suspending Grab & Go Service and increasing our Contactless Pickup hours. If you would like to pick up a held item, just call the library and let us know what time you will be here. We will check it out to you, place it in a bag, and put it outside on the table at the time you specify.

If you need help placing a hold or would like to pick up something here in our collection, please call us. Your library concierge will be waiting to help!

All returns should continue to be made through the outdoor book drop. We will quarantine items for three days and waive all overdue fines.

Stay safe out there!

Pam
