## CIVIC AND SOCIAL LITERACY

On Election Day, November 3, Huntingdon Valley Library will be closed. If you haven't voted by mail, I encourage you to take part in one of our most important Civic duties.

Huntingdon Valley Library is an excellent place to develop the knowledge and skills we need to participate and contribute to our community, government, and society. Regular readers are more than twice as likely as non-readers to volunteer or do charity work. Next time you visit please check out our display of books about voting by the front door.

PA Forward is the Pennsylvania Library Association's 21st

Century Literacies Initiative. Libraries are the key to powering progress and elevating the quality of life in Pennsylvania by fueling the types of knowledge essential to success: Basic Literacy, Information Literacy, Civic and Social Literacy, Health Literacy, and Financial Literacy.
