Youth Services Corner

August 20, 2021

Dear Friends,

Thank you again for helping to make our Summer Learning Program a success this year. Congratulations to everyone who participated! Here are some fun statistics:

- As a community, we read 307,021 minutes, beating last year's reading time by over 30,000 minutes!
- 75% of registrants actively logged their reading time and activities.
- Participants read an average of 20 hours each!
- Teens read the most this summer, with a whopping 40 hours per person average! Talk about super readers!

If you are looking for some end of summer reading, visit the display in the Children's area for Back to School books, and the display in the YA area for titles from *Time* magazine's recently released list of the [100 Best YA Books of All Time](#). You can also pick up books for all ages at the Friends' Outdoor Book Bonanza tomorrow (weather permitting, see below for details).

Reminder: Our database will be offline from September 1-7 while it updates. Please make sure that you have your library card and that it is up to date before then. During the update, you will need to have your library card with you to check items out. We will not be able to look you up or check in items during that time.

See you at the library soon!

Vanessa

Head of Youth Services

Calendar of Events
