Director's Corner

July 30, 2021

Dear Friends,

We want to thank all of our library patrons for a wonderful summer. Things will be a bit quieter at the library as staff take their well deserved vacations.

Please check to make sure you have your library card and that it is up to date in our database. Beginning September 1, the entire MCLINC consortium of libraries will be operating offline as we upgrade our database. You will need a library card to check items out and access to your account from home will not be possible. If all goes well we will "go live" in the new database on September 8.

Stay cool and keep reading!
See you at the library,
Pam
