## Director's Corner

June 11, 2021

Dear Friends,

Congratulations to all of our recent Lower Moreland High School Graduates! Best wishes.

Today I would like to share a resource available on our website called [Power Library](#). This resource is provided by Library Services and Technology Funds (LSTA) and the Office of Commonwealth Libraries (PA). You will need your library card to sign in, or the site will issue you a free ecard to use it. I urge you to take a look at all of the resources available there. If I listed them all, it would take this entire newsletter. Once on the site, click "List all e-resources" on the top bar. For example, you can chat with a librarian 24/7, search for a favorite poem, find an author, or find the electrical diagram to your 1972 Chevy, plus much more. It is a great resource to have in your wheelhouse when the need for research arises. Of course, you can always call the library for assistance at 215-947-5138.

Have a great weekend, and I will see you at the library.  
Cheers,  
Pam
