Director's Corner

July 9, 2021

Dear Friends,

I hope you are all well and enjoying the summer.

I am excited to announce that local historian, Herb Kaufman M.Ed., has agreed to present a talk about Female Spies. Intelligence gathering has traditionally been considered the domain of men. Until recently, the exploits of women who served as spies has often been overlooked or considered of little importance.

The Secret Army presentation will detail the exploits and daring of many of the female spies in American history. Please join us on Tuesday, July 20, at 7 pm to learn about this fascinating piece of history. [RSVP](#) for the zoom link.

The Million Minute Challenge is off to a good start. As of today, we have read 98,997 minutes. Our teen group is still in the lead. Remember to log your minutes in the Beanstack app to earn raffle tickets toward prizes. And remember, adults can partake in the fun also!

See you at the library,
Pam
