Favorite 2020 Teen Program: Creepy Cupcake Wars

During this festive October event, Teens worked together in their kitchens with siblings, parents and friends decorating cupcakes. At the end of 30 minutes, creations were shared with the group. One participant shared the significance of sugar skulls in her culture. One mom stated, "Usually they are very competitive and tonight they were very supportive of each other!"

Best 2020 Children's Program: Impossible Day Leap Year Party

We had over 200 people attend our last in person event of 2020. Attendees learned magic tricks, enjoyed birthday cake for the Leap babies, and participated in

"Impossible" activities that required out-of-the-box thinking.
