# WHERE WE ARE NOW

Huntingdon Valley Library continues to provide exceptional services to our community.

The Huntingdon Valley Library staff is dedicated to fulfilling the core values of the library: Curiosity, Diversity, Innovation, Lifelong Learning, Positive Relationships, Potential, Service and Sustainability. In 2021, the library proved how resilient we can be as we maintained functionality and vitality in the face of Covid-19.

HVL is a Pennsylvania Library Association Gold Star Library. We have continued to offer engaging events, lectures and learning experiences in our community. Some examples are the First Annual Graphic Novel Contest, Grab and Go Art Kits for all ages, CSI Club, Alliance Reading Circle, Teen Advisory Board, and, of course, Book Clubs for all ages.

In 2021, Huntingdon Valley Library became one of the first libraries in Montgomery County to become Fine Free. This removes a barrier to service for many in our community.

The year started with limited access to the building and ended with a return to full operating hours and most services restored. We plan to return to full in-person programming in 2022. Look for more STEM-based programs, extra support for job seekers, new laptop computers, new furniture, and the return of our popular Friday Movies.

Thank you for your support.  
See you at the library,

Director
