HUNTINGDON VALLEY LIBRARY

WHERE COMMUNITY MEETS

Huntingdon Valley Library has rebounded from the pandemic. In 2022, the library returned to being open 7 days a week. The staff is committed to providing a place to learn and dream - and to providing the information to make those dreams a reality.

Highlights of our 2022 events include: Summer Learning programs, CSI Club for Teens, Reading Buddies, an original Fairy Tale Trail, chess clubs and classes, coding classes and Angry Birds.

A partnership with Lower Moreland Township provided the Egg Hunt, Movie Night Under the Stars, CSI Club and several training programs. We look forward to more collaborative programs in 2023. HVL spent much of 2022 updating our technology. The library now offers mobile printing and print from home services. A new print release station/copier was added to the public computers. Our WiFi was upgraded to provide more robust service. Four sit/stand desks and 8 new laptops were purchased thanks to an IMLS OCL Grant.

Thanks to the Friends of Huntingdon Valley Library, we invested in new Wonderbooks, picture books with a built-in audio reader. A generous donor funded an update of our juvenile nonfiction section, which increased the educational quality, browsability and children's interest in nonfiction books.

We look forward to 2023 being our most innovative year to date.
See you at the library!
